Mar 9, 2016 Playing Command and Conquer 4 offline is actually really really bad (hope it's not just me). That's one of the problems that I will now fix! What I had planned is: F4W is in beta right now. While it is in beta, I will update the game. While the update is downloading, the player will still be able to play (since the update is small), and when the beta ends, the new version (with the updated game) will be uploaded and the player can play.
